ABOUT ME

I am a hard working, honest individual. I am passionate about learning new skills and I easily get involved with projects both individual and group projects. With an unwavering commitment to excellence, I thrive on challenges and embrace opportunities for personal and professional growth. My dedication to honesty, paired with my enthusiasm for acquiring new knowledge, has led me to excel in various endeavors. I am eager to bring this same level of dedication and passion to the projects and teams I become a part of, as I believe that the pursuit of continuous learning and the synergy of collaboration are key drivers of success.

work experience

○ 2021 - 2022

Freelancer

Assistance in helping students with their schoolwork and getting them ready for exams.

Application development student at Varsity College Durban North for 4 years.

○ June 2023 - Nov 2023

Web Developer

This was a Work Integrated Learning module where, as the students, we were tasked to work as a group and develop a ticketing system for users to log their issues. This system was for a real-life client.
